

A detailed technical drawing of a mechanical assembly, possibly a pump or motor, shown in a cross-sectional view. The drawing is oriented vertically. At the top, there is a large, rectangular component. Below it, a smaller rectangular component is connected to a larger, more complex assembly. This assembly includes a central vertical shaft or rod. To the left of the central shaft, there are several horizontal components, including what appears to be a series of vertical bars or a grate. To the right, there is a large, curved component that resembles a valve or a flange. The entire assembly is supported by a base. Various parts are labeled with letters and numbers, including 'A', 'B', 'C', 'D', 'E', 'F', 'G', 'H', 'I', 'J', 'K', 'L', 'M', 'N', 'O', 'P', 'Q', 'R', 'S', 'T', 'U', 'V', 'W', 'X', 'Y', 'Z', '1', '2', '3', '4', '5', '6', '7', '8', '9', '10', '11', '12', '13', '14', '15', '16', '17', '18', '19', '20', '21', '22', '23', '24', '25', '26', '27', '28', '29', '30', '31', '32', '33', '34', '35', '36', '37', '38', '39', '40', '41', '42', '43', '44', '45', '46', '47', '48', '49', '50', '51', '52', '53', '54', '55', '56', '57', '58', '59', '60', '61', '62', '63', '64', '65', '66', '67', '68', '69', '70', '71', '72', '73', '74', '75', '76', '77', '78', '79', '80', '81', '82', '83', '84', '85', '86', '87', '88', '89', '90', '91', '92', '93', '94', '95', '96', '97', '98', '99', '100'. The drawing is a black and white line drawing with hatching used to indicate different materials or sections.
